

CALLING ALL YOUNG SCIENTISTS!

Moved to Aug 8th!

FUN SCIENCE FAIR CONTEST!

If you are a school-aged child (up to high school senior), you can participate in the 2020 SLZ VILLAGE EARTH DAY SCIENCE FAIR! This is part of the SLVHA Earth Day Festival on Sat. ~~April 18th~~. Each age group (elementary school, middle school, high school) will have one winner chosen by community judges. You could win great prizes! All participants will receive special gifts, community volunteer hours both for preparation of the project and participation in the Science Fair as well as having a fun time showing off their project and awesome science skills to the Community!

Projects should be about the theme: "LET'S TALK ENERGY" in some way. It can be hands-on, a demonstration, or informational (such as research presented on a tri-fold board). It can be made or purchased. Anyone can help you. Your job is to show the other kids attending the event SOME ASPECT OF ENERGY. (No dangerous projects, please.)

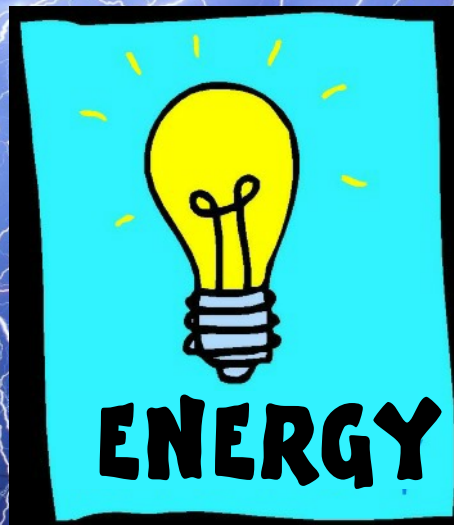

**\$\$\$
PRIZES!**

You MUST PRE-REGISTER by ~~Monday April 13, 2020~~ **July 31st!** to participate by sending the following Info to mclowser@slvha.com. -Include: Name, age, school (or age group), type of project, space needed for your project (Must be present to explain project and to win prize)- contest is outdoors!

~~April 18, 2020, 11:30am-12:30pm~~
377 Paseo Grande, San Lorenzo
