

You're Invited!

HESPERIAN BLVD.

CORRIDOR IMPROVEMENT PROJECT

Ribbon Cutting

Saturday, February 4 from 1 – 3pm
Open to the Public

At the corner of Hesperian Blvd. & Paseo Grande, San Lorenzo

Join us for the Ribbon Cutting Event commemorating the completion of the Hesperian Boulevard Corridor Improvement Project! Alameda County Supervisor Lena Tam will speak and honor the legacy of Wilma Chan. Program includes Alameda County Public Works Agency Director Daniel Woldesenbet and others involved in the project.

The event also celebrates the completion of the public artwork by artist Vanessa Marsh. The artwork is in the form of stencil sandblasting on the sidewalks and featured on street banners and utility boxes along Hesperian Boulevard. The Arts Commission will present an art activity for all ages. Meet artist Vanessa Marsh and make an artwork to take home! PWA will also be giving away free tote bags with an art image.

The public art project was managed by the Alameda County Arts Commission in partnership with the Alameda County Public Works Agency. For more info, visit: arts.acgov.org
