

## LITTLE LIBRARIES

The Board draft approved the Little Library Standards with the following information below.

Little libraries have become a vibrant part of our community, offering accessible spaces for residents to share and discover books. These charming, small-scale libraries promote literacy, foster a sense of community, and encourage the joy of reading for all ages. They operate on the simple premise of "take a book, return a book," creating a sustainable cycle of knowledge and creativity.

The Gable Unfinished has the classic Little Free Library look, and is great for books of all sizes including children's books! With no interior shelf, it easily fits books up to 15" tall. This library arrives unfinished and ready for you to paint before outdoor installation. Not to exceed 36" in overall height. The post this would be installed upon would be 14" from the ground. Box to be painted to match the color of the home.

As we embrace these delightful little libraries, we encourage community members to share their thoughts and ideas. Comments regarding this initiative should be submitted by the December 19 Board meeting, either in writing or in person. Let's continue to build a community where everyone has access to the joy of reading!
